TWINS DAYS FESTIVAL

Every year, the small town of Twinsburg, Ohio, in the United States, has a special festival. It's called the Twins Days Festival. The festival takes place in August. It's three days long and is very popular.

Thousands of brothers and sisters visit this festival. Most of them are twins. They go there to meet old friends and to make new ones.

Twins often look the same, with the same color hair and eyes, but sometimes there are quite a few differences. Identical twins, however, look exactly like each other. They also often have the same hobbies!
